

Diagnosing, Assessing and Treating Bipolar Disorder: an Experts Course for Those New to the Field

Sponsored by the International Society for Bipolar Disorders

Wednesday June 8, 2011
Westin Hotel, Pittsburgh

Application Deadline: March 21st, 2011

About the Course: The *International Society for Bipolar Disorders* will be holding a one-day workshop for psychologists and psychiatrists who are “new in the field” and want to become experts/specialists in bipolar disorder. The course will include short presentations by two experts, followed by extensive discussions aided by training tapes, clinical case vignettes, etc.

Location: Westin Hotel (Meeting Room TBA)

Deadline: The deadline for applications is *Monday, March 21st 2011*. Registration is limited.

Eligibility: Psychologists and Psychiatrists (including residents and fellows) from around the world with an interest in bipolar disorder are encouraged to apply. *ISBD membership is not a requirement to participate.*

Review and Notification: All applications will be evaluated by the ISBD Education Committee based on the information provided with the application below. All applicants will be notified via email no later than Friday, April 8th 2011.

Cost: This course is free of charge; however, applicants must be able to support *all costs* related to attending this course, including travel, accomodation, meals, ect.
